Mykonos, Platis Yialos

Charming resort of Platis Yialos right on the beach, 10 minutes by bus from Mykonos town. Several other different beautiful beaches within a walking distance or reachable by small boat. Couple of typical Greek taverns on the boardwalk, food mini markets and souvenirs.

Hotel Lady Anna is situated at the very end of the bay occupying a large, quiet & comfortable place with lovely views. It is a family run hotel & tavern with an incredible hospitality.

Dancing on a marble floor, protected from the sun. Under shadowed roof outside with an astonishing view of the turquoise crystal clear sea with a gorgeous sandy beach right in front.
